

Jerry Atipo-Elenga

Mechanical Engineer | 6 YEARS EXPERIENCE

EXPERIENCE

- STOCK MANAGER • TOTAL E&P CONGO** *08/2021 – 02/2022*
Pointe-Noire, Republic of Congo
- Ensuring that TOTAL E&P Congo assets (mechanical, hydraulic, pneumatic, electrical and electronic equipment) meet minimum requirement of TOTAL E&P standards at the Industrial Base of TOTAL E&P Congo
 - Reduction of assets stocking fees
 - Management of assets lead time versus criticality of assets toward operations
- STOCK MANAGER • TOTAL E&P CONGO** *12/2020 – 06/2021*
Pointe-Noire, Republic of Congo
- Technical Control of dead, sleeping and orphan stock in the Industrial Base of TOTAL E&P Congo
 - Optimisation of the mechanical, hydraulic, pneumatic, electrical and electronic equipment Industrial Base of TOTAL E&P Congo
- MAINTENANCE ELECTRICIAN • PERENCO-CONGO** *11/2018 – 10/2019*
Pointe-Noire, Republic of Congo
- Monitoring of electrical circuits and apparatus at La Noumbi FPSO
 - Maintenance of electrical and hydraulic machines at La Noumbi
- GENERAL MANAGER • ELENG.TECH SERVICES** *12/2009 – 11/2016*
Brazzaville and Pointe-Noire, Republic of Congo
- Planning, execution, technical control and financial monitoring of preventive and curative maintenance of the Air Conditioning (AC) system in BSCA.Bank
 - Management of technical staff to meet the operations deadlines to maintain good functioning of the Air Conditioning (AC) system
- TECHNICAL MANAGER • T.N ELEVATOR SERVICES** *10/2013 – 01/2017*
Pretoria, South Africa
- Planning, execution, technical control and financial monitoring of preventive and curative maintenance and /or optimization of lift and escalator systems in Menlyn Mall
 - Judicious management of technical staff to meet the operations deadlines to maintain good functioning of lifts and escalators in Menlyn Mall
 - optimization of assets (mechanical, hydraulic, pneumatic, electrical and electronic equipment) lead time versus criticality of assets toward operations
- MAINTENANCE TECHNICIAN • SERVTEC-CONGO** *09/2010 – 08/2011*
Pointe-Noire, Republic of Congo
- Monitoring of electrical diagrams for the installation of electric and hydraulic motors
 - Maintenance of electric and hydraulic motors

EDUCATION

1/2018-12-12/2022 Tshwane University of Technology (TUT), South Africa
Master of Engineering in Mechanical Engineering Research – These: Optimization of local post weld heat traitement for welding code compliance

01/2017-12/2017 Tshwane University of Technology (TUT), South Africa
Master of Engineering in Mechanical Engineering (MEng) – Completed subjects:

- Research methodology
- Engineering data analysis
- Systems modelling

01/2013-12/2016 Tshwane University of Technology (TUT), South Africa
Bachelor of Technology (B-Tech) – Mechanical Engineering

10/2007-06/2010 Ecole Nationale Supérieure Polytechnique (ENSP)/Université Marien Ngouabi, Republic of Congo
Diploma in Technology - Industrial Maintenance
